

## Bio

**Jumadi**

Saya memiliki pengalaman teknis langsung selama 9 tahun di bidang Supply Chain Management (SCM).

Berpengalaman dalam bidang IT selama 4 tahun. Latar belakang saya memiliki keahlian pemrograman, mengelola server linux, arsitektur jaringan, Artificial Intelligent, Business Analyst serta arsitektur lingkungan IT.

Saya juga menguasai data mining dan visualisasi data menggunakan KNIME.

## Download KNIME Analytics Platform

- 1 Register for Help & Updates 2 Download KNIME 3 Get Started

Download the latest KNIME Analytics Platform for Windows, Linux, and Mac OS X.

### KNIME 4.0.2

Find out **What's New in the new release** [here](#).

The KNIME Analytics Platform version is intended for end users and provides everything needed to immediately begin using KNIME as well as extend KNIME with extension packages developed by others.

| Windows   |        |             |
|---|--------|-------------|
| KNIME Analytics Platform for Windows (installer)  | 64 Bit | (441.03 MB) |
| <i>The installer adds an icon to the desktop and suggests suitable memory settings</i>  | 32 Bit | (437.42 MB) |
| KNIME Analytics Platform for Windows (self-extracting archive)                          | 64 Bit | (444.58 MB) |
| <i>The self-extracting archive only creates a folder holding the KNIME installation</i> | 32 Bit | (441.15 MB) |
| KNIME Analytics Platform for Windows (zip archive)                                      | 64 Bit | (529.54 MB) |
|   | 32 Bit | (525.59 MB) |

| Linux                              |        |            |
|------------------------------------|--------|------------|
| KNIME Analytics Platform for Linux | 64 Bit | (554.2 MB) |

| Mac  |        |             |
|--|--------|-------------|
| KNIME Analytics Platform for Mac OSX (10.11 and above) | 64 Bit | (522.98 MB) |

You decided to download the installer for KNIME Analytics Platform for Windows (installer) 64 Bit (441.03 MB).

*The installer adds an icon to the desktop and suggests suitable memory settings*

If you want to run the KNIME installer or self-extracting archive for Windows you might experience some difficulty because of the Microsoft SmartScreen filter which was introduced with Internet Explorer 9 and Windows 8. [Find out how to solve the problem.](#)
